Notes relating to the Summary of Reserves and Resources

- * Petroleum Reporting Entities can disclose by Petroleum Project / Petroleum Tenement or by geographical area based on materiality.
- Petroleum Reporting Entities that have no Prospective Resources, Contingent Resources or Petroleum Reserves are not required to disclose any information via this MKT Form 12-1.
 - "Interest %" is the Petroleum Reporting Entity's economic interest in the Petroleum Resources, including its entitlements under production-sharing contracts and risked-service contracts.
 - Estimate of Petroleum Resources are to be reported net of:
 - royalties that the Petroleum Reporting Entity is required by agreement (including overriding royalties provided for in farm-out agreements) to give in-kind to the royalty owner; or
 - those volume that the Petroleum Reporting Entity is allowed to lift and sell on behalf of the royalty owner.
 - The named Competent Person(s) in this Summary of Reserves and Resources may be different to the Competent Person(s) who prepared the information and supporting documentation to form the basis of the Summary of Reserves and Resources.
 - Petroleum Reporting Entities that have no Petroleum Resources may not necessarily be required to disclose the information required by this Form.
